

Freedom Tool 7: Break Involvement in the Occult and False Religions

Key Scriptures and Concepts:

- **Deuteronomy 4:19, 18:9-12, Acts 8:9-24, Acts 19:17-20**
- Our God is a jealous God. He wants to be our only supernatural source. He wants to be our all in all. We are forbidden to seek for supernatural help from any source other than Him. That includes no asking advice from the other world or from the dead, no fortunetelling, no witchcraft, and no casting curses on another. We are supernatural beings who are covered with the Blood of Jesus, made pure by Him, and we seek no other supernatural help other than what is under the Lordship of Jesus Christ.

Practical Application:

- Ask Holy Spirit to bring to mind any activities involving the occult, New Age, false religions, witchcraft, or worship of false gods so that you can repent, ask forgiveness, and receive a spiritual cleansing.
- Remove all symbols, artifacts, photos, books, or other objects from your home. Pray the Blood of Jesus over your home and all you have. Separate yourself from all past involvement.
- I can speak for my family. Repent in behalf of any family members who has been involved in these activities. Ask God to forgive and redeem you and your family and set you free.

Sample prayer:

Father God, In the name of Jesus Christ of Nazareth. I repent for and renounce the spirit of occultism from my life and in my family generations in any of these forms:

<ul style="list-style-type: none"> • Legalism • Control • Mind-binding religious spirits (including the need to be spiritual) • Denominationalism (relationships based on agreement rather than love and covenant) • Seducing spirits • Spirits of error • Mental torment 	<ul style="list-style-type: none"> • Dumb and deaf spirits • Infirmary spirits • Spirits of rage /anger • Hatred • Hatred of God • Death • Insanity • Confusion • Racism

I will worship God and Him alone. I take authority over these spirits of occultism and cast you out in the name of Jesus Christ of Nazareth.

Prayer to Break Word Curses

In the name of Jesus, I break every curse of words against me. I take every negative word captive that has been spoken over me by others and that I have spoken over myself. I break the power of those curses and I cancel every assignment from darkness. I cast them to the ground. I call blessing to fall on me in their place.

I take back every curse I have spoken against another. I cast those words down to the ground. I return a blessing on those with whom I have cursed. Jesus took my curses so I can live in blessing.
